

What to Expect at Wayne County Christian Home Educators (WCCHE)

1. Arrival

Please make sure to arrive on time! The doors to the building lock at 12:30.

2. Name Tags

As you enter the gym, name tags will be hanging near the entrance on the left. Please make sure to grab you and your children's name tag each week and re-file them as you exit each week.

3. Opening

Co-op begins each day at 12:30 in the gymnasium. Each person finds a chair and then stacks their chair on a rack at the end of the opening. The opening consists of announcements, a devotional/family testimony, and 1-3 talents from students.

4. Classes/Mom's Hour

After the Opening, all students will be released to their first hour classes, younger students first. First hour classes run from 1:00-2:00. At 2:00, all younger students will be walked by their first hour teacher, to their second hour class. Second hour classes run from 2:10-3:10. If you are not teaching or assisting in a class, you may attend Mom's Hour.

5. Dismissal

All K-2nd grade students are taken to the gym after their second hour classes to await pick up. All Pre-K and nursery students must be picked up from their classes in the main hallway. Parents will need to promptly pick up K-2nd graders in the gym. All students 3rd grade and up are released on their own to the gym. All members and families need to be out of the building by 3:30.

6. Clean Up

The church graciously allows us to use this building. Families who do not have pre-k or nursery children will be assigned a week of clean up each semester. Please see the Cleaning Coordinator when it is your assigned week.
